1987 TROJANAIRE
Maroa-Forsyth High School
Seventy-Third Edition

We hope our hard work and long hours have made this book something to remember. We hope to spark your memory of all the good times experienced throughout this year for many years to come.

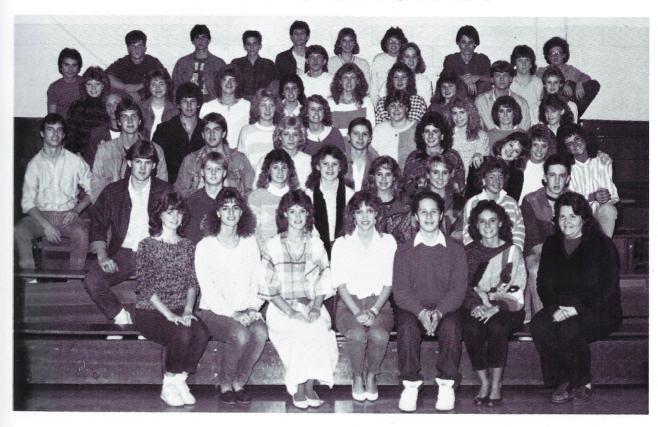

To our junior editors — we owe our appreciation that is much deserved. To our sponsor and staff — please accept our deepest gratitude.

THANKS!

Season Recap

The Varsity team finished their season with a 13-9 record. The girls placed sixth in the Meridian Conference with a 6-4 finish. The Junior Varsity team ended the season with a 7-11 record.

Many Varsity records were set this year. Krista Major set the record for the Best Serve Received and the Most Kills. Carrie Cochran had the Most Sets and led in Kill Assists. Melissa Wilson had Best of Season Spiking. Lori Christ had 25 Kill Dinks to lead her team and scored the Most Aces in a Game. Wendy Tohill led the Trojans in the Most Points in a Season.

The team broke every record except one from the previous season. Congratulations Trojans!

Season Recap

The season really began for the Trojans at the Homecoming game against state-ranked Assumption. Going into this game, Assumption had not allowed a rushing touchdown; but the Trojans rushed for four of them making the score an impressive 28-0.

The most controversial game of the season came next against the Niantic-Harristown Indians. In this 62-6 blowout, senior running back Bill McClure set a new Illinois state record by rushing for 498 yards. The team's total rushing yardage for this game was also a state record.

The Varsity finished the season 4-5

Drum Major: Suzzette McClelland

DIR. MATTHEW MUELLER

In the 1986 marching season, the marching band had nine performances including two parades. The band was led by drum major Suzzette McClelland and flag corps captain Cathy Torgerson. The band performed a four-song show of "Accion", "Jazzin", "Killer Joe", and "If I Loved You". After a long, hot week at band camp, the band gave its first performance at a home football game on September 11th.

On September 27th, the band competed in the rain at the Eastern Marching Band Festival. In the class C division, Maroa-Forsyth finished 2nd overall with the drum major and percussion section finishing 1st.

On the next Saturday. October 4th, the band competed at the Illini Marching Classic. In the field performance, the band received the highest score ever attained by a Maroa-Forsyth band — 59.2. The band gave its final performance on October 31st.

Pom-Pon sponsor was band director Mr. Matthew Mueller assisted by Mrs. Marjorie Devore of Clinton. Mrs. Devore brought twelve years of experience as a pom-pon sponsor to the squad which was greatly appreciated by all.

One of the most unusual routines of the season was performed at the last boys' basketball game against Assumption. Fifteen members of the football squad joined the girls in a show of style and grace. Pictures from this routine are found below and on the next page.

Season Recap

The 1986-87 basketball season was a quite respectable one for the Trojans. The team, which was very inexperienced, played around .500 all season long, and finished just one game under with a 12-13 record.

This team had only three seniors with varsity experience, while the rest of the team was composed of inexperienced seniors and several juniors. In spite of the lack of experience, the team managed to put together a good season under Coach James.

With so many juniors getting a chance during the '86-87 season, the '87-88 season should prove to be a productive one because the team will be an experienced.

Season Recap

The season put together by the JV Trojans during the 1986-87 basketball season makes the future of Maroa-Forsyth hoop look very promising. Through teamwork, this team put together an impressive 15-6 record. They started relatively slowly by winning only two of their first five games; but they won the next seven games in a row. The rest of the season they continued to play strongly. Among the team's many highlights this season was their third place finish in the Bethany Tournament and the 80-foot desperation shot that Chad Moore sank during the triple-overtime victory over Moweaqua earlier in the season.

Swim Team

1987 was a banner year for the MFHS swim team. This year there were two swimmers, Chad Engelhart and Steve Tothero. They swam at sectionals where Maroa-Forsyth was put on the map as Steve won the 200-meter Freestyle and placed third in the 500-meter Freestyle, qualifying for State in both. Chad won and qualified for State in the 100-meter Breast Stroke and placed fifth in the 200-meter Individual Medley.

At State, Steve and Chad did well again as Steve placed thirteenth in the 200-meter Freestyle and Chad placed fourteenth in the 100-meter Breast Stroke. There were about forty-five swimmers in each event. Steve and Chad were coached by Mr. Queer.

Eight members of the FHA attended their Region IV rally in Champaign on September 24. This year was especially interesting since Kristi Ritter was the state officer from Region IV and planned and conducted the meeting. The theme was "Changing Goals for a Changing World". Members attended workshops on various subjects.

For Homecoming week, the FHA sponsored their annual Mr. Legs and Ms. Flex contest. Mr. Legs candidates were the senior football players and Ms. Flex candidates were the senior FHA members. The 1986 winners were Jamie Eagler and Shannon Black. FHA sold Homecoming mums again as a service to the student body and also had a pick-up truck in the parade.

FHA week was February 9-13. One of the week's activities was "Heart Give-Away Day". FHA members wore hearts and if they talked to a boy, they had to give up their heart to that boy. One of the most popular events of FHA week was selling carnations which are delivered for Valentine's Day. Red, pink, and white carnations were sold. Many students puchased them to be given to sweethearts or friends.

During February, FHA also sponsored a Sweetheart Dance. The theme was "Can't Help Falling in Love" and the music was provided by JAMS. The court consisted of: Freshmen......Heidi Black and Ryan Mielke Sophomores Michelle Morris and Bill Barnett Juniors Melissa Wilson and Chad Braden Seniors Aimee Reeser and Bill McClure Queen and King Kristi Ritter and Jeff Eagler

The spring FHA rally was held on February 14 at MacArthur High School. The students participated in proficiency events with the best ones going to state. Also, at this rally, new section officers were elected. Here at MFHS there are two chapters; and so FHA was able to run two candidates. Amy Agee was elected the new section president and Becky Swinger was elected secretary for the section. Nine officers for 1987-88 and two chapter mothers along with Kristi Ritter attended the state conference held in Springfield in May. The theme of the leadership conference was "The Power of One — Experience the Magic". It was a very exciting trip and conference since Kristi Ritter was one of the eight officers who helped plan the meeting. Members attended various workshops and general sessions. Two of our members participated in the proficiency events. Becky Swinger received a first place rating on an individual research project and Krystal Dunn received a second place rating on the chapter activities manual.

On Thursday, May 21, FHA held their annual awards night. Each member was recognized for participating in activities held during the past year.

The Year in Review

The Future Farmers of America is an organization whose purpose is to train students in farming and in ag-related fields providing supplies and services to farmers.

The Maroa-Forsyth FFA Chapter has competed at the sectional and state levels successfully in 1986-87, defeating 78 section teams in various areas of competition. The chapter received first place in two section farm business management contests and placed eighth in the state competition. In soil judging, the chapter not only took first place, but had seven of the top eight individuals in the section. They placed second in the section in mechanics and dairy and third in livestock, Parliamentary procedure and crops. The meat team did not win, even though Jim Birge was the third high scoring individual and Chad Braden was sixth. Jim was also high individual in engine analysis.

Individual students who were recognized this year for outstanding achievements were David Foulke, winner of the DeKalb Agriculture Achievement Award; Jim Birge, who received the Maroa Fertilizer Award; and Chad Ruwe, the Star Greenhand.

Season Recap

"These young men played extremely well this year . . . We were always competitive." These were the words of Coach Thompson in praise of the 1987 baseball team. "The kids were committed to a winning season and ame within an eyelash of another 20-win season and a conference and regional championship."

The varsity record was 1.8-4; but the team was better than that. The record doesn't tell that the Trojans lost three of the four games by one run and the fourth by two. The Trojans were ousted in the finals of the regional ournament in a slugfest against Argenta-Oreana that ended in a score of 16-15. All this was accomplished with a varsity squad with only two seniors. The team and Coach Thompson are to be commended for a fine season.

This year's squad was definitely distance-oriented and loaded with promising underclassmen that won many Macon County and Meridian Conference awards from 500-meters to 3200 meters.

Paul Arnett, the squad's lone senior held down the sprints and did the high jump. The distance specialists were led by Chad Braden, Heath Miller, Tron Wright and Dick Wilson. Wilson's 3200-meter time of 10:30.3 minutes was quite promising for a freshman and along with sophomore Heath Miller in the 800-meter lean toward an exceptional future

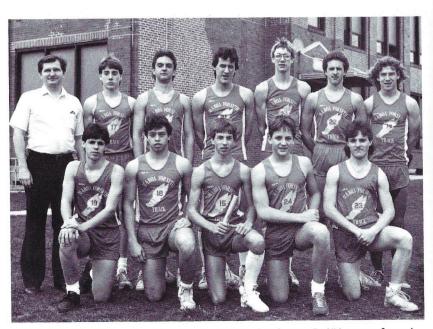

Senior

Paul Arnett

After a three-year absence, girls' track and field once again returned to the Trojan line-up. Although the Lady Trojans didn't win any meets, their small numbers led by the spiriting of junior Stephanie Pickett and the distance-running of freshman Lisa Morris did pack quite a punch.

Four new school records were set by this year's squad. The 400-meter relay team of Stephanie Pickett, Kristen Baker, Melissa Wilson and Michelle Morris lowered the mark to 55.8 seconds. The 400-meter run was lowered to 1:07.0 minutes by Michelle Morris. Area Best qualifier Lisa Morris lowered her distance specialties of 3200 and 1600 meters to 12:43.0 minutes and 5:50.6 minutes respectively.

Without any senior members, everyone will return next year. With the addition of some new squad members, the 1988 season should be excellent.

Front Row: Dan DeMark, Rod Harrelson, Tron Wright, Ron Reeser, Ted Weiscope. Second Row: Coach Queer, Heath Miller, Chad Braden, Tony Neps, Paul Arnett, Mark McGaughey, Dick Wilson.
